

CREATING A GREAT START

What will we accomplish?

Our goal is for our youngest citizens to ultimately experience success in school by helping families be their child's first teacher.

What are we doing?

Implement program-wide **Positive Behavior Supports** in pre-school classrooms.

Provide **training for in-home and center-based child care program staff** to help parents support their children's learning.

Connect students and families to **community resources**.

How are we doing?

<i>Goal</i>	2011	2012
Increase parent's knowledge of age appropriate child development.	TBD	
Decrease the # of students who attended preschool who have discipline problems in Kindergarten.	TBD
